Yale Goes Over Four Mile Course

Time 20 Minutes, 45 Seconds Considered Good—Only Two Games Among Major Leaguers—Irish Giant Replies to Wrestlers.

Gales Ferry, June 10.—Despite a hard rain which fell here all day the Yale crews were out on the water this morning and late this afternoon. The first row of the varsity four, which was an easy one of a mile up the Thames with coaching on watermanship and the handling of oars inboard.

The afternoon practice was over the four mile course down stream in a hard rain, but with a favorable tide and wind and comparatively smooth water. The distance was covered in twenty minutes and 45 seconds, which, while not entirely satisfactory, was considered good time in view of the weather conditions and the fact that it was the second time that the crew has been able to row the full four miles.

The freshman eight, coached from the launch, rowed down stream for two miles and return and were followed by the two varsity fours and the freshman four.

Examinations, which will extend over a period of nine days began today in union with those in New Haven.

Professor Durfee of the college and Dr. Cooper of Sheffield Scientific school are in charge.

The launch John Harvard, of Harvard, came up the river late today.

George St. John Sheffield of North Attleboro, Mass., was the first of the old guard to report. He came on the same train with the oarsmen on Wednesday and will remain till the races on July 1. The veteran brought along his rowing "log" which contains the official time of every trip up and down the river since he began rowing in 1894.

Julian W. Curtis, the Yale rowing adviser, may not come here this week. His son, Harry Curtis, the Yale crew's assistant manager, will, with tonalitis, and it is thought that both will be absent a few days.

Valentine Chappell, chairman of the regatta committee, has made an early start in plans for the regatta by entirely flagging the course. The white pennants are already flying in mid-stream at every half-mile and the time spin of the crews can be accurately measured.

YALE CREW IS GOOD.

Formal Row at New Haven Shows Them Fast Against Freshmen—Hope of Beating Harvard Revived.

What has been a prevailing feeling of uncertainty about the Yale varsity crew all the season was changed into one of confidence that the Blue oarsmen would be worthy representatives of the alma mater as a result of the last work on New Haven harbor Monday night before leaving for Gales Ferry.

The varsity was sent over the full racing distance against the freshmen and after passing them in the first quarter of a mile won from them handily in fast time.

Of the conclusions to be drawn the New Haven Register says:

The Yale crew is good. From a mass of the most inexperienced material a coach has had to work with in recent years, John Kennedy has developed a strong and rugged eight. It was reserved, however, for the very best appearance of the oarsmen on home waters before the full and finished product of the year's work could be seen. Sending the varsity and freshmen eight to the starting point near Belle

dock Monday night just before sunset the two crews were sent over the full racing distance in the gathering sunset.

Starting into the lead the Yale oarsmen dashed pluckily ahead, but were soon overhauled by the steady regulars, who wore the class eight down, and passed them before they had gone a quarter of a mile. From this point the varsity had the race well in hand.

Yale men cannot but feel encouraged as the result of the rowing, but they must remember that Harvard has a record-breaking crew of veterans and Yale has a herculean task to row four miles to victory on the Thames in three weeks.

CURTIS HAS THE \$70,000

FOR YALE BOATHOUSE

Soon to Commence Work at New Haven on George Adee House.

The old dilapidated Yale boathouse in Chapel street, New Haven, will soon pass out of existence, for the \$70,000 has been raised by Julia Curtis of New York to erect the George Adee boathouse for the Yale crew.

The new boathouse will be located on Mill river, just above Chapel street and across from the present structure. The idea of erecting the building is to secure more room. The present quarters are inadequate, and as they cannot extend the property it was decided to purchase the land across the way.

It is expected that work will soon commence on the structure. At present there is a little hitch in securing the full title to the land.

RACER FALLS DEAD.

Frank Gill Burst a Blood Vessel Finishing Second at Gravesend.

Gravesend, N. Y., June 10.—Frank Gill, a chestnut horse, fell dead, probably from the bursting of a blood vessel, after finishing second in the third race at Gravesend today. He was a heavily played favorite at 1 to 2. He stayed in second place all the mile and a furlong journey. When Scoville, his rider, pulled up on the loose turn he felt the horse giving away under him and jumped off just as Frank Gill dropped. Frank Gill was in the stud at a Kentucky farm for a season and was bought back this year to race, but has shown nothing like the form he played as a three year old, when he defeated Peter Pan. He was five years old.

Royal Onyx, 12 to 1, won the Patchogue stakes.

Crystal Maid First for \$2,190 Stakes.

Cincinnati, June 10.—The Latonia Oaks for three year old fillies at a mile and a quarter was the feature of Latonia today. Only three horses started. Crystal Maid, the favorite, won. The net value of the stake to the winner was \$2,190.

Arranged Game With Barbers.

Manager Desires of the Jewett City Barbers and Clerks was in Norwich Thursday and arranged with Jerry Ravenell to play the Norwich Barbers on Monday, June 21st.

Detroit	28	14	.674
New York	22	17	.564
Philadelphia	22	18	.556
Boston	22	19	.538
Cleveland	22	20	.524
St. Louis	17	24	.413
Washington	12	27	.308

Mullin Wins Eleventh Straight Game.

New York, June 10.—Pitcher Mullin of Detroit, hit clean ball, and his team, the Tigers, being defeated 2 to 1. The visiting team was effective with men on base, and his double in the second inning, scoring Schaefer, was responsible for Detroit's second and winning run. Score: Detroit, 2; New York, 1.

Putnam Batting 328.

The following are batting averages of the Putnam team of the Eastern Connecticut league, as last figured out for the five games played:

Player	At bat.	Hits.	P.C.
Shaw	20	10	.500
Marion	16	8	.500
Tatro	20	9	.450
Collins	20	6	.300
Diott	24	7	.292
Laballe	24	7	.292
Pepin	22	6	.273
Rivard	22	6	.273
Lavoite	23	4	.174

The above makes a team average of .328.

Second Baseman Tatro received a letter from Manager Burkett of Worcester this week asking him to report to him for practice Wednesday or Thursday. Tatro decided not to accept the invitation, but may call upon the player-manager later.

Kickers Sign to Play Crescents.

Manager Bresnahan of the Kickers baseball team has arranged for a game this week on the Cranberry lot with the crack Crescent team of Williamfield. This team is rated as one of the fastest amateur teams in this vicinity and will be accompanied by a large delegation of rooters to help him defeat the local boys. Manager Bresnahan will endeavor to have some strong team to lineup against his boys every week, so that the fans may be able to see some good games.

Donohue and Nash Were Right.

The answer published below from the editor of Sporting Life shows that Umpire Donohue and Mr. Nash of Westerville were right in their claim about the disputed run in the C. A. C.-Stonington game. The following answer was received by The Bulletin's sporting editor:

"As there was no force on batsman or runner, the run counts. The double play rule does not apply in the matter of a run unless there is a force on a batted ball."

Mullin Needs Three More.

If George Mullin can win his next three games he will have equaled the American league record for straight victories, set by Happy Jack Chesbro in 1904, when he won fourteen consecutive victories for New York. To beat this record, Toledo four more wins.

Critics say the nervous strain, with Mullin in the box, is beginning to tell.

National League Results.

Pittsburgh-Philadelphia and Boston-Cincinnati (both games) postponed; rain.

Connecticut League Standing.

Team	W.	L.	P.C.
Hartford	22	11	.667
Springfield	17	16	.516
New Haven	18	18	.500
Stonington	15	17	.469
Bridgeport	12	17	.413
Northington	14	21	.390

All Connecticut league games postponed; rain.

Eastern League Standing.

Team	W.	L.	P.C.
Boston	24	12	.667
New York	22	15	.594
Toronto	20	18	.526
Buffalo	19	21	.475
Baltimore	18	22	.450
Newark	12	18	.400
Jersey City	12	23	.344
Portland	14	21	.390

At Jersey City—Providence Jersey City postponed; rain.

At Buffalo—Buffalo 2, Rochester 0.

At Toronto—Toronto 1, Hamilton 0; game grounds waterlogged; rain.

At Baltimore—Providence 6, Baltimore 2.

Second game: Baltimore 4, Newark 3.

New England League Results.

New Bedford-Lynn, Worcester-Haverhill and Lowell-Fitchburg and Lowell-Fitchburg River games postponed; rain.

ELIMINATED TWO

STRONG PLAYERS.

Grant and Inman Out of Tennis Tournament—Looks Like Touchard to Meet Champion Pell.

Hartford, Conn., June 10.—Two of the strongest players in the New England championship tennis tournament, W. C. Grant of New York and F. C. Inman of Rockway, were eliminated by today's matches. Inman, who was playing in fine form, succumbed to Touchard of New York, who will in all probability be Pell's competitor for the cup. Grant was beaten by F. W. Cole of Hartford. T. R. Pell, the present champion, put in an appearance today and took part in the doubles, winning his match. He seems to be in excellent form, and a great contest is looked for when he meets Touchard Saturday.

All of today's matches were played during a drizzling rain, and with but few spectators present. During the late afternoon contests the rain came down hard.

ARCHER A COMING CATCHER.

Moran's Understudy with Cubs—Good Thrower, Has Eagle Eye on Bases.

With Kilgus out of the game, one of the problems which has confronted the Chicago management has been the position behind the plate. Kilgus is not only a fine mechanical catcher, but he is a wise general, and many a game has been won through the crafty manner in which he watched the men at bat, as well as by his ability to cut off base runners.

Moran has been doing the bulk of the work for the Chicago, but Chance says Archer, a youngster whom he has gathered under his wing, is one of the most promising young men he has had with the Cubs for some time, and in the future he would not be surprised if Archer were to hold his own against the good catchers of the big organizations.

He has a strong throwing arm and more than his ability to throw, he has a watchful eye in his head, which keeps careful notice of the batters of the opposing teams.

It isn't likely that he will be used very much in the regular games, unless

250th ANNIVERSARY CELEBRATION of the Founding of Norwich, July 5th and 6th

Moran should happen to be injured. When he does get in line behind the bat the manager of the team is certain that he will develop into one of those handy fellows who are equal to the occasion when the necessity arises for matching wits.

</
